

## REMARKS

It is respectfully requested that the amendments to the above-referenced application, presented herein, be entered prior to examination.

It is respectfully submitted that the amendments to the specification have been made to conform the specification to U.S. practice, and to conform the specification with amendments made during the International Stage, and have not been made for purposes of patentability.

Claims 19-37 are pending in the application, claims 1-18 having been canceled and new claims 19-37 having been added herein. Claims 1-18 have been canceled and new claims 19-37 have been added herein in order to conform the claims to U.S. practice and have not been made for purposes of patentability. In addition, the claims have been amended to remove multiple dependencies therefrom in order to reduce the filing fee and in order to clarify minor informalities.

No new matter has been added by this amendment.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Francesco Sardone', is written over the typed name.
